We took our first step to Chocolate and Confectionery sector on the Gaziantep Araban Road in 2003. With the interest shown by our domestic and international customers, in order to provide higher quality and better we aim in production of chocolate, Nuga Bar, Coconut Bar, Wafers, Breakfast and Cream Tube chocolate, we have a new modern facility with 50.500 m2 outdoor and 23000 m2 indoor area since 2014. We formed a organizational concept by believing in human, hygiene and sustainable quality management. We took the pride of bearing a national responsibility with the exports to 7 continentals and 89 countries. Thanks to the warehouses and sales offices we opened in Iraq / Arbil and Morocco / Casablanca, we have succeeded in becoming one of the leading players in our target markets in the Middle East ,North-South Africa,Middle America,Asia and Far east countires.

We formed 110 various product taste and 26 separate brand mark in our product scale. In line with the demand from our consumers and our customers, we completed a significant gap in our portfolio by commissioning our new Wafer line in 2016. We always prepare new delicacies and efficient presentations four our products by virtue of our research and development. Thus, we have become a desired and preferred brand. The point we are standing on in our sector proved us that every dedication we showed had a comeback. Tören Çikolata has been providing its services with the same sensitivity and new delicacies.

New packaging,
same great taste!
